The Namo Buddha Retreat has received tremendous response and grown in sizes over the past few years. Many retreatants have found it convenient to purchase their own air tickets instead of going through TDSPJ. In view of this reason and the unforeseen circumstances, Lama Lodro and the committee have found it necessary to made changes to the event in which TDSPJ will play the role as a facilitator especially to give advice to the new comers. Sorry for any inconvenience caused.

The particulars for the event are as stated above. Retreatants are advised to book their own air tickets ASAP and apply for the visas to reach Kathmandu on the 6th Nov. 2014 and return on the 16th Nov. 2014. These are available from AirAsia, Mas Airline, Nepali Airline which make daily direct flight to Nepal or Thai Airline which transits in Bangkok. After booking please let know your name, the particulars of your flight and your contact (telephone / hand phone numbers and e-mail address), so that we could inform the Monastery to make arrangement to pick you up at the Kathmandu airport on the 6th Nov. 2014 and reserve the accommodation at the guest house and the monastery as a group. Bro. Richard would put you in the e-mail loop, so that we can answer your query and inform you of the latest development. Your cooperation is very much appreciated in order to ensure a pleasant journey. **Please be informed that the deadline for registration is 20th September, 2014.**

Please pay your retreat fees to:-

Rev. Lama Lodro (Name: Tashila, Standard Chartered Bank A/C No. 794194916810) or you can pay to the Monastery directly upon arrival in Kathmandu. After that, Kindly fax your bank-in-slip of USD 320 to **03-42917633** or Whatapp & SMS to Bro. Richard Lau to confirm bank-in-money and reservation.

Kindly also indicate if it is your first time participating and/or you intend to wear the robes. Those who intend to wear robes are required to shave.

The itinerary is enclosed below for your reference.

Thank you. With Amrita

Richard Lau
TDSPJ committee
