

## Click on the donor list and scroll down to see list.

Note: This list had been reconciled with the receipts and the bank statement. We had encountered problem of donors who had banked in the money without sending us the bank in advice for reason of their own. Some cheques were returned because of wrong account number. We are doing all we can to trace the donors. However, the total collection has been reconciled with the bank statement. We recognise that some names may have spelling mistakes because of illegible hand writing or typo mistake. You are welcome to call the undersigned (Lim Shu Yun 012-3886371) for any rectification or improvement.

The total amount of collection as at 31/05/2015 is

RM 339,445.64

Thank You very much.

Yours in the Dharma,

Lim Shu Yun
