

FUND RAISING DONOR LIST FROM 29TH APRIL 2015 TO 31ST OCTOBER 2015

Dear Brothers and sisters, this dedicated bank account has been finally closed and audited. We take this opportunity to thank all the companies, institutions, and all the kind hearted people who had helped contributed in cash and in kind towards this noble course of fund raising for helping the Nepal earthquake victims. The grand total collection has reached **RM696,249.72**. The audited account will be published shortly.

Note : This list had been reconciled with the receipts and the bank statement. We had encountered problem of donors banked in the money without sending us the bank in advice for reason of their own. Some cheques were returned because of wrong account number. We are doing all we can to trace the donors. For these reasons the donors name list total collection do not tally with the actual total collection. We recognise that some names may have spelling mistakes because of illegible hand writing. You are welcome to call the undersigned for any rectification or improvement.
