OUR BEST WISHES AND INVITATION TO PARTICIPATE IN *“Usher in the first morning of the New Year 2014”* with our Resident Lama - Lama Lodro

Greetings to all Dharma Brothers and Sisters,

Because of time constraints, this newsletter will only be posted on our Thrangumy website and TDSPJ facebook, but not in the normal surface mail.

Many could still remember vividly that His Eminence Tai Situ Rinpoche had instructed Karma Kagyu Monasteries and Centres all over the world to conduct all night chanting to usher in the 2000 Millennium Year. In the morning after, the whole world was awoken by the news that His Holiness Karmapa had painstakingly walked across the Himalaya against all odds and finally landed in India.

The all night chanting to usher in the New Year had since continued in Thrangu Centre until 2006. Many people who had found this all night chanting meaningful and energising had time and again requested the event to be resumed. We are pleased to inform you that Lama Lodro had agreed to that and we hope the staunch practitioners will come in full force to experience the blissfulness and wonders of the all night chanting.

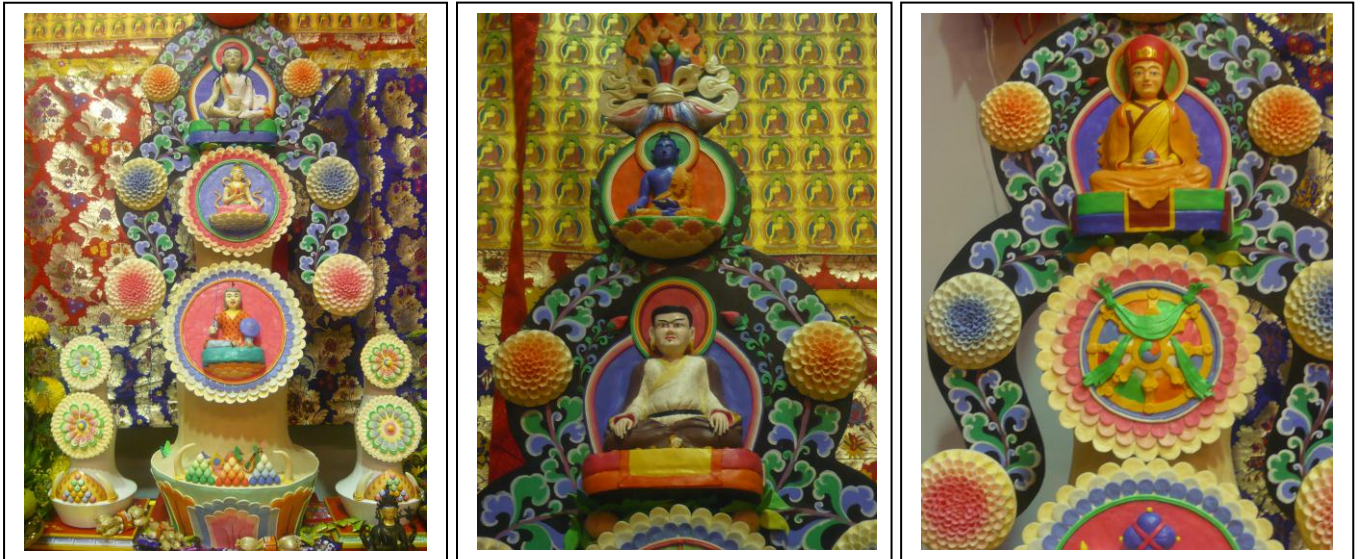

ACTIVITIES AT THRANGU CENTRE (31st December 2013 to 1st January 2014)

ALL-NIGHT CHANTING TILL THE FIRST LIGHT OF DAWN

From 10.00 pm on New Year Eve till the break of dawn of 1st January 2014 (Wed), there will be all-night chanting of the Heart Sutra for removing obstacles, bringing luck and prosperity and invoking protection for the coming year. A break will be made at 11:30pm for countdown to the New Year. Refreshments and snacks will be provided throughout the night. Interested Dharma brothers and sisters are invited to take part.

GREETING THE NEW YEAR 2014

At the first light of the New Year, all present at the centre will be led by the Venerable Lama Lodro and monks to make light offerings and pray for world peace and happiness for all beings. All light offering will be given **FREE** to show our deepest gratitude for your unfailing supports to this centre for the past years. A Sang Puja and chanting of the Eight Auspicious Prayer will then follow to conclude the auspicious event of receiving the arrival of the New Year.
